

Introduction to the

Sierra Nevada Community Conservation and Wildfire Protection Plan Guidebook

FREE PUBLIC WORKSHOPS

for Residents of Butte, Plumas, Lassen, Sierra, Shasta and Yuba County Counties.

Come learn how to use the new Guidebook, a comprehensive manual for creating a conservation-based CWPP for Sierra Nevada communities, or updating your current plan. This Guidebook was developed through a collaborative process among California agency, conservation, and scientific fire experts.

Paradise Town Hall (5555 Skyway, Paradise)

Introductory Workshop

August 21, 2007, 9 am – 12:30 pm

For FSCs, agencies, and others with a general interest in the Guidebook and how it can be used to create a customizable CWPP.

This session is mandatory for August 22 hands-on workshop attendees.

Hands-On Workshop

August 22, 2007, 10 am – 4 pm

For communities in any part of the process of developing a CWPP. We will go through the Guidebook and discuss how you can use it for your current planning process. Workshop participants are required to attend the previous day's introductory session. Bring your current planning documentation, maps, and issues/questions you have regarding your plan and process.

Lunch break from 12-1, local restaurants are available, or you're welcome to bring a bag lunch.

Additional Workshops:

SACRAMENTO

August 23, 9 am – 1 pm

Resources Building Auditorium

SOUTHERN SIERRA

September 11-12

Tuolumne County Ambulance
& Fire Administration Building,
Sonora
