

Additional Workshops:

Northern Sierra August 21-22 Paradise Town Hall, Paradise

SACRAMENTO August 23, 9 am – 1 pm Resources Building Auditorium

Introduction to the

Sierra Nevada Community Conservation and Wildfire Protection Plan Guidebook

FREE PUBLIC WORKSHOPS

for Residents of Alpine, Calaveras, Madera, Mariposa, and Tuolumne Counties.

Come learn how to use the new Guidebook, a comprehensive manual for creating a conservation-based CWPP for Sierra Nevada communities, or updating your current plan. This Guidebook was developed through a collaborative process among California agency, conservation, and scientific fire experts.

Tuolumne County Ambulance & Fire Administration Building 18440 Striker Court Sonora (off Tuolumne Road)

Introductory Workshop

September 11, 2007, 9 am - 12:30 pm

For FSCs, agencies, and others with a general interest in the Guidebook and how it can be used to create a customizable CWPP.

This session is mandatory for September 12 hands-on workshop attendees.

Hands-On Workshop

September 12, 2007, 10 am - 4 pm

For communities in any part of the process of developing a CWPP. We will go through the Guidebook and discuss how you can use it for your current planning process. Workshop participants are required to attend the previous day's introductory session. Bring your current planning documentation, maps, and issues/questions you have regarding your plan and process.

Lunch break from 12-1, local restaurants are available, or you're welcome to bring a bag lunch.
